Hi Dave, would it be possible to continue with TCT updates on Arkema for the foreseeable future? Given that we might expect a sufficiency problem here, my hope is that regular updates from DEQ on this will assure everyone that all efforts are being made to get things ready for in water work, and help everyone understand the challenges that DEQ is facing there.

Thanks for considering.

Hi Katie,

On behalf of Legacy Site Services LLC (LSS), please find attached the Q3 2019 Quarterly Progress Report for the Arkema Portland site. This QPR summarizes activities on the upland portion of the site in accordance with the Consent Order between ODEQ and LSS dated October 31, 2008.

Hard copies will be mailed to parties as appropriate.

Please let me know if you have any questions.

Thank you,

Erica Whiting
